## EDUCATION

---

### MES AIMAT

*Master of Computer Application*

Marampilly, Aluva

*jun. 2021 – July 2023*

### MES College

*B.Sc in Electronics*

Marampilly, Aluva

*jun. 2017 – March 2020*

## EXPERIENCE

---

### Prototype

July, 2023 – Present

*Attending Bootcamp*

*Maradu, Kochi*

- Developed responsive front-end interfaces using HTML, CSS, and JavaScript, ensuring optimal user experience across various devices.
- Created frontend designs using Figma, working collaboratively with the team to translate designs into responsive user interfaces.
- Utilized Python Django and PostgreSQL to architect and implement robust back-end solutions for diverse applications.
- Proficient in creating REST APIs and integrating them into projects for seamless data communication.
- Worked in a team to develop full-stack applications, collaborating closely with developers to deliver high-quality products within deadlines.
- Demonstrated versatility by employing Flask, React, and MongoDB in a project, showcasing adaptability to different tech stacks and databases.
- Integrated state management with React, Redux, and Axios, enhancing application performance and maintainability.
- Leveraged Django ORM for efficient database interactions and management, ensuring data integrity and scalability.

## PROJECTS

---

### Shoplux | *Python, Django, PostgreSQL, Html, Css, Bootstrap*

- Developed 'Shoplux,' an e-commerce website using Django, PostgreSQL, and Razorpay
- Created backend with Django for user management, product handling, and order processing
- Integrated Razorpay for secure payment transactions
- Designed responsive frontend with HTML, CSS, and JavaScript
- Managed data with PostgreSQL for scalability
- Implemented user authentication and authorization features

## CERTIFICATIONS

---

- DTP ,Graphic Designing Visual Communication
- Object Oriented Programming Databases
- Web Application Development
- Computer Hardware Maintenance Networking
- Animator From KITES SOFTWARES PVT LTD
- NPTEL Online Certification (Introduction to Programming in C)

## TECHNICAL SKILLS

---

**Languages:** Python, C, SQL (Postgres), JavaScript, HTML/CSS, MongoDB, Bootstrap

**Frameworks:** React, Django, Flask, RestAPI

**Developer Tools:** Git, VS Code, Visual Studio, PyCharm, Eclipse
